Re: 2024-2025 Budget

Dear Board:

Attached are the following documents:

Letter to the Lane County Assessor (with attachments); and
Letter to the Lane County Clerk (with attachments).

This completes the District's requirements for adoption of the District's 2024 - 2025 Budget. However, we would like to take a moment to remind you of the following guidelines:

Changes to an adopted budget generally require at least a Board resolution. Some changes require adoption of a supplemental budget. If the supplemental budget will change the expenditures in any fund by more than 10%, extra notice and a hearing may be required. We would be happy to help you negotiate these requirements as they come up during the year.
